

# Vaccines for Preteens!

Preteens (11 to 12 year olds) should receive  
**Tdap, HPV, and Meningococcal vaccines**  
before entering the 6<sup>th</sup> grade.

## Back-to-School Vaccine Clinic

**Saturday August 20<sup>th</sup>**

**Charlottesville/Albemarle Health Department**

**9:00—11:30 AM**

**No appointment needed - first come first served**

Parent/guardian must be present for student to get vaccinated.

**Must bring a copy of your child's insurance card(s).**

*Please note: Insurance status does not determine your  
child's eligibility to get vaccinated.*
